

ALWAYS LOOK ON THE BRIGHT SIDE OF LIFE

Cheer up, Brian. You know what they say.

Some things in life are bad, They can really make you mad.

Other things just make you swear and curse.

When you're chewing on life's gristle, Don't grumble, give a whistle!

And this'll help things turn out for the best

And:

Always look on the bright side of life!

Always look on the light side of life

If life seems jolly rotten, There's something you've forgotten!

And that's to laugh and smile and dance and sing,

When you're feeling in the dumps, Don't be silly chumps,

Just purse your lips and whistle -- that's the thing!

And always look on the bright side of life - Come on!

Always look on the bright side of life

For life is quite absurd, And death's the final word.

You must always face the curtain with a bow!

Forget about your sin -- give the audience a grin,

Enjoy it, it's the last chance anyhow!

So always look on the bright side of death!

Just before you draw your terminal breath.

Life's a piece of shit, When you look at it.

Life's a laugh and death's a joke, it's true,

You'll see it's all a show, Keep 'em laughing as you go.

Just remember that the last laugh is on you!

And always look on the bright side of life

Always look on the right side of life - Come on guys, cheer up - modulatie

Always look on the bright side of life

Always look on the bright side of life

(Worse things happen at sea you know)

Always look on the bright side of life

parlando er door heen:

I mean, what have you got to lose?

you know, you come from nothing

you're going back to nothing

what have you lost? Nothing!

nog een modulatie voor de laatste zin:

Always look on the bright side of life
